Anyone with questions can call the Gloucester County Flu Hotline at (856) 218-4141. The Gloucester County Flu Hotline will continue to operate Monday through Friday from 8 am until 8 pm (not on weekends or Holidays). The Flu Hotline will take questions about both seasonal flu and H1N1.

H1N1 clinics are now being coordinated with various school districts, and as vaccine is received by the State, more public clinics will be announced.
