**5. LICENSING AND PERMITTING.** If the Contractor or any of its agents is required to maintain a license, or to maintain in force and effect any permits issued by any governmental or quasi-governmental entity in order to perform the services which are the subject of this Contract, then prior to the effective date of this Contract, and as a condition precedent to its taking effect, Contractor shall provide to County a copy of its current license and permits required to operate in the State of New Jersey, which license and permits shall be in good standing and shall not be subject to any current action to revoke or suspend, and shall remain so throughout the term of this Contract.

**6. TERMINATION.** This Contract may be terminated as follows:

A. If Contractor is required to be licensed in order to perform the services which are the subject of this Contract, then this Contract may be terminated by County in the event that the appropriate governmental entity with jurisdiction has instituted an action to have the Contractor's license suspended, or in the event that such entity has revoked or suspended said license. Notice of termination pursuant to this subparagraph shall be effective immediately upon the giving of said notice.

C. The County may terminate this Contract for public convenience at any time by a notice in writing from the County to the Contractor. If the Contract is terminated by the County as provided herein, the Contractor will be paid for the services rendered to the time of termination.

D. Notwithstanding the above, the Contractor or subcontractor, where applicable, shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Contract by the Contractor.

E. Termination shall not operate to affect the validity of the indemnification provisions of this Contract, nor to prevent the County from pursuing any other relief or damages to which it may be entitled, either at law or in equity.

7. **NO ASSIGNMENT OR SUBCONTRACT.** This Contract may not be assigned nor subcontracted by the Contractor, except as otherwise agreed in writing by both parties. Any attempted assignment or subcontract without such written consent shall be void with respect to the County and no obligation on the County's part to the assignee shall arise, unless the County shall elect to accept and to consent to such assignment or subcontract.

Contractor shall, simultaneously with the execution of this Contract, deliver certifications of said insurance to County.

Contractor shall, simultaneously with the execution of this Contract, and as a condition precedent to its taking effect, provide to County a copy of a certificate of insurance, verifying that said insurance is and will be in effect during the term of this Contract. The County shall review the certificate for sufficiency and compliance with this paragraph, and approval of said certificate

and policy shall be necessary prior to this Contract taking effect. Contractor also hereby agrees to continue said policy in force and effect for the period of the applicable statute of limitations following the termination of this Contract and shall provide the County with copies of certificates of insurance as the certificates may be renewed during that period of time.

14. **CHANGES.** This Contract may be modified by change orders, consistent with applicable laws, rules and regulations. The County, without invalidating this Contract, may order changes consisting of additions, deletions, and/or modifications, and the contract sum shall be adjusted accordingly. This Contract and the contract terms may be changed only by change order. The cost or credit to the County from change in this Contract shall be determined by mutual agreement before executing the change involved.
