PUBLIC NOTICE
Gloucester County, NJ
Planning Division – Office of Housing and Community Development

The County of Gloucester proposes to initiate planning for its FY 2018 Community Development Annual Action Plan, which directs the expenditure Community Development Block Grant and HOME Investment Partnership funds received by the County from the US Department of Housing and Urban Development (HUD) for its Fourth Year Annual Action Plan for Federal Fiscal Year 2018. Funding for the Federal Fiscal Year 2018 has not been officially allocated. However, HUD anticipates at or above level funding from the previous year. Funding for the Federal Fiscal Year 2017 was \$ \$1,660,751.

In order to obtain the views and proposals of interested citizens on Community Development, Economic Development and Housing needs and priorities, public hearings are being scheduled in the initial stages of application and program development.

The information received from interested persons at the hearings will assist the County in the preparation of Gloucester County's Fourth Year Action Plan, which is required by the US Department of Housing and Urban Development as part of the annual application process.

Information will be made available to citizens regarding application procedures, timing, eligible activities and other regulations related to the Community Development Programs. Information on past use of Block Grant and HOME Funds will also be available. Representatives of the County will be available to answer questions that may arise through the forum of public hearings.

In accordance with the procedures set forth in the Citizen Participation Plan, there will be two public hearings, which will be scheduled on Monday, April 30, 2018 at 2pm and at 5pm at the Gloucester County Clayton Complex, 1200 N. Delsea Drive, Clayton, NJ. Gloucester County Citizens are encouraged and welcome to submit written or verbal comments at or following the hearings.

A final draft of the Fourth Year Action Plan for Federal Fiscal Year 2018, which will be prepared following the Public Hearings, is expected to be available for public review by June 15, 2018 in order to meet the timing and submission requirements established by HUD. This notice is issued in accordance with the Consolidated Plan Regulations (24 CFR 91).

The County of Gloucester complies with all state and federal rules and regulations and does not discriminate on the basis of race, religion, color, national or ethnic origin, sexual orientation, age, marital status or disability in admission to, access to, or operations of its programs, services, or activities. In addition, Gloucester County encourages the participation of people with disabilities in its programs and activities and offers special services to all County residents 60 years of age and older. Inquiries regarding compliance may be directed to the Division of Disability Services at (856) 384-6842/New Jersey Relay Service 711 or the EEO office at (856) 384-6903.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Gloucester County, NJ has prepared a Five-Year Consolidated Plan to identify housing and community development needs and to develop specific goals and objectives to address those needs over a five-year period. The Five-Year Consolidated Plan for the County covers the period of September 1, 2015, through August 31, 2020. The Annual Action Plan presented here covers the fourth year of this 5-year period, specifically from September 1, 2018 to August 31, 2019.

The Annual Action Plan sets forth the goals and objectives for the period and is a continuation of efforts begun in the first three years of the current 5-year cycle to address needs identified in the current Consolidated Plan. More specifically, this Annual Action Plan details the County's planned use of Community Development Block Grant (CDBG) and HOME Investment Partnerships Program funds provided by the U.S. Department of Housing and Urban Development (HUD). The County, through a HUD approved Agreement, additionally administers Washington Township's Entitlement Community Development Block Grant Program.

The 2015-2019 Consolidated Plan stipulates that the County's Department of Public Works, Division of Planning will administer the CDBG and HOME programs.

The FY 2018 Annual Action Plan describes to HUD and to our stakeholders how Gloucester County and Washington Township intend to use CDBG and HOME funds to meet community needs. The funds are intended to provide low and moderate-income households with viable communities by addressing one of HUD's three objectives; 1. Provide decent housing, 2. Create a suitable living environment, and 3. Create economic opportunities. Eligible activities include community facilities and improvements, roads and infrastructure, housing rehabilitation and preservation, development activities, public services, economic development, planning and administration.

Program outcomes are designed to show how each activity benefits the community or people served. All activities must provide one of the following benefits; 1. Improved Availability / Accessibility, 2. Improved Affordability or 3. Improved Sustainability.

Community Development Block Grant funds allocated to Gloucester County in 2018 to address the needs outlined in this Plan are \$1,192,177. The County will also receive \$626,323 in HOME funds. Washington Township's 2018 CDBG allocation is \$162,570.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The goals of this 2018 Annual Action Plan are enumerated in Section AP-20 Annual Goals and Objectives. They include planned accomplishments in the areas of housing, public infrastructure and public services.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Gloucester County has an excellent record of using CDBG and HOME funds in an efficient and compliant manner to address identified needs in the County. Along with its public and private partners, the County has regularly completed projects that improve the lives of County residents, particularly low-mod income residents.

In preparing this plan, the successful outcomes previously achieved suggested that some activities, such as housing rehab, were efficient, effective uses of HUD funds and should be continued if there was still a need. Proficiency in completing infrastructure and facility projects and seeing both observed and documented benefits of public service efforts also suggested that inclusion of such activities, where warranted, would enhance opportunities for positively impacting our communities.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

This Annual Action Plan has been developed pursuant to HUD requirements. Gloucester County's Department of Public Works, Division of Planning was responsible for preparation of the Annual Action Plan as well as the Five-Year Consolidated Plan upon which it is based. These Plans resulted from a process of consultation, consensus building, and citizen participation and were built upon existing community outreach efforts. The Division of Planning worked with as many public and non-profit organizations as possible to ensure maximum opportunities for community participation in assessing needs and presenting strategies to meet the needs of low and moderate income persons and neighborhoods. Municipal representatives, citizens, not-for-profit organizations, and interested parties were afforded a variety of opportunities to participate in the process. The County complied with HUD's citizen participation regulations as outlined in the Gloucester County Citizen Participation Plan.

As the lead agency for the Planning Process, the Division of Planning made every effort to solicit public participation during the development of this Annual Action Plan. To notify the public of the Public

Hearings, notices were published in the legal section of *The Gloucester County Times* and posted on the County's website www.gloucestercountynj.gov.

Those applying for the use of CDBG funds were required to describe the needs they were seeking to address, thereby providing another tool of identifying needs and opportunities.

A draft of the 2018 Annual Action Plan was released for public comment for at least 30 days, from June 8, 2018 to July 9, 2018. prior to its submission to the U.S. Department of Housing and Urban Development.

The County of Gloucester's Citizen Participation outreach was designed to encourage broad participation from the County's residents, including non-English speaking persons. Outreach to persons with disabilities was made through contact with the local agencies that represent the needs of persons with disabilities. Information about opportunities to comment on the Plan was provided to local agencies.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Comments received during the development of this Annual Action Plan suggest a continued need for the services and opportunities provided by CDBG and HOME funds. Affordable housing options, improved infrastructure and facilities and a wide range of public services continue to be in demand and should be supported as fully as possible, commenters said. They also described needs that go beyond the scope of CDBG/HOME to fix, at least at current funding levels. The awareness of the entire spectrum of needs, however, is a vital first step in addressing them.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were accepted and considered in the development of this Plan.

7. Summary

Through consultation with a wide array of stakeholders, Gloucester County has developed an Annual Action Plan for the use of CDBG and HOME funds. The overarching purpose of the Plan is the efficient use of limited resources to effectively address identified needs among the County's most vulnerable residents. The Plan is built on the County's proven methods of meeting needs but with a recognition that needs and the forces that drive them are subject to change. Housing, public buildings and systems, and public services that inform, educate or otherwise elevate the quality of life continue to be the focus of Gloucester County's efforts in this arena.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The County of Gloucester has prepared and submitted a Five-Year Consolidated Plan in order to strategically implement federal programs that fund housing, community development and economic development activities within the County for the years 2015 through 2019. This 2018 Annual Action Plan covers the fourth year of that period, specifically September 1, 2018 through August 31, 2019. The same collaborative planning process that involved a broad range of public and private agencies that was used to develop the Consolidated Plan has been used to determine goals and projects using 2018 CDBG and HOME funding. The County will submit this Annual Action Plan to the U.S. Department of Housing and Urban Development (HUD).

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

Coordination begins with communication and the jurisdiction maintains open channels of communications among a varied network of service providers - including health and mental health providers - and the various representatives of low-mod income residents, including public and assisted housing. Gloucester County, through its appropriate divisions, is active in countywide and regional organizations, including the CEAS Committee and Continuum of Care, and is a willing conduit for information and coordination.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

In New Jersey, the state requires that each county establish a Human Services Advisory Council (HSAC) to coordinate the provision of all human/social services in the county. The state further requires that a Comprehensive Emergency Assistance System (CEAS) subcommittee be established in each county, specifically to coordinate the provision of services and housing to the homeless.

In Gloucester County, the CEAS committee is known as the Homeless Network Planning Committee (HNPC). The HNPC is a consortium of local homeless service and human service providers, city officials, members of local government, and consumers, as mandated by the State HSAC. The committee is recognized as the lead agency for planning and coordinating the delivery of services to assist homeless individuals and families to move toward independent living and self-sufficiency through the provision of a continuum of homeless housing and supportive services. The Community Planning and Advocacy Council (CPAC), a nonprofit agency under contract to the County of Camden, provides administrative support to the Homeless Network.

Each year, a Point-in-Time count is made of the persons residing in shelter and transitional facilities and living unsheltered in the County.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The County of Gloucester does not receive ESG funds

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Narrative (optional)

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The County of Gloucester's Citizen Participation outreach was designed to encourage broad participation from the County's residents, including non-English speaking persons. Outreach to persons with disabilities was made through contact with the local agencies that represent the needs of persons with disabilities. Information about opportunities to comment on the 2018 Annual Action Plan was provided to local agencies.

This Annual Action Plan is a result of a process of consultation and citizen participation, building upon existing relationships with municipalities, state agencies, county departments and local non-profit organizations. Municipal officials and administrators, citizens, non-profit organizations and interested parties were afforded a variety of opportunities to:

- 1) Contribute during public meetings and planning sessions;
- 2) Review and comment upon the participation plan itself;
- 3) Receive information about the meetings, the plan and comments made about the plan;
- 4) Comment on the 2018 Annual Action Plan;
- 5) Register complaints about the plan and its amendments.

Gloucester County complied with the citizen participation requirements of the regulations by doing the following:

- Preparing, adopting and following a Citizen Participation Plan;
- Publishing informational notices about the plan prior to public hearings;
- Holding two public meetings in accessible places at convenient times after providing reasonable notice;
- Posting a copy of the draft and final Annual Action Plan on the county website;
- Making the Annual Action Plan available for public examination and comment for a period of thirty (30) days before submission to HUD

Annual Action Plan
2018

- Providing citizens, public agencies and other interested parties reasonable access to records regarding any uses of any assistance for affordable and supportive housing; and
- Considering the views and comments of citizens, and preparing a summary of those views for consideration with the Annual Action Plan submission.

Four (4) regional public hearings were scheduled throughout the County, two afternoon and two evening, at local, accessible public facilities convenient to the general public and fully handicapped accessible. To notify the public of the hearings, public notices were published in the [Gloucester County Times](http://www.gloucestercountynj.com) and posted on the County website www.gloucestercountynj.com.

A draft of the Annual Action Plan was released for public comment for at least 30 days, from June 8, 2018 to July 9, 2018. A notice of the draft plan's availability was published in the [Gloucester County Times](#).

Comments received from the public regarding the Annual Action Plan were recorded and made part of the public hearing records. Comments are included with this Plan. These comments helped identify and prioritize needs and develop strategies to meet them

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The federal CDBG and HOME funds are intended to provide low and moderate income households with viable communities, including decent housing, a suitable living environment and expanded economic opportunities. Eligible activities include community facilities and improvements, housing rehabilitation and preservation, affordable housing development activities, public services, economic development, planning and administration. The County will partner with municipalities, other public agencies and nonprofit organizations, when feasible, to leverage resources and maximize outcomes in housing and community development. Virtually all planned activities have some degree of leveraging from non-federal sources. The source of these funds ranges from bake sales for a small non-profit to developer equity of thousands of dollars. Economic Development activities are expected to receive little or no CDBG funds but will be contributing millions of dollars toward the same goals as the CDBG program. Gloucester County will continue to leverage funds from the state and regional sources, effectively multiplying the impact of CDBG and HOME funds.

The Match for the HOME Program will be met through a combination of cash from nonfederal sources, including developers equity, sweat equity, land donated by municipalities and private bank investment in housing projects.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Aside from the public infrastructure and facilities improvement activities described in AP-35 Projects, no publically owned land or property located within the jurisdiction will be used to address the needs identified in the plan.

Discussion

The planning, coordination and leveraging that is part of every Annual Action plan helps assure that CDBG funds are used as efficiently as possible to benefit as many eligible residents as possible.

Projects

AP-35 Projects – 91.220(d)

Introduction

With input from a variety of stakeholders, with data from a variety of sources and with hands-on experience in front-line services to the most vulnerable populations in the County, Gloucester County plans a mix of activities in FY 2018 to address a wide range of challenges for those populations. Infrastructure improvements, housing rehab, community facilities and social services are just some of the approaches to improving neighborhoods, houses and, most importantly, families in Gloucester County.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The focus of the efforts as set forth in the Consolidated Plan programs and here in this Annual Action Plan, is to provide safe, decent and affordable housing and a positive community environment that offers good quality of life and economic opportunities to all residents. The County is not allocating funds geographically. Allocation of funds at the County level are budgeted for County wide activities, including housing rehabilitation, first time home buyers, tenant based rental assistance, etc. Funds for municipal projects and public service programs were allocated based on evaluations through a Request for Proposal process.

Geographic Distribution

Target Area	Percentage of Funds
Countywide	82
Eligible low-mod census tracts	18

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Maps showing the percentage of Low/Mod Income households by Census Block Group were distributed to each municipality. The maps indicate the percentage of low/mod households in each block group, highlighting the HUD Eligibility Areas. HUD regulations allow the County to select areas that comprise the lowest quartile of income in the County as eligible for assistance under the Low- and Moderate income designation. Areas within the Gloucester Quartile figure of 42.50% are located in the Boroughs of Clayton, Glassboro, National Park, Paulsboro, Pitman, Westville and Woodbury Heights; the Townships of Deptford, Elk, Franklin, Logan, Mantua, Monroe, Washington, West Deptford; and the City of Woodbury. All activities proposed for CDBG funding are within the County’s Low- and Moderate income quartile of block groups or are specific to low- and moderate income clientele.

Discussion

The mix of rental assistance and for sale units as well as the preservation of existing housing stock through rehabilitation is deemed to be the most effective way to meet the challenges of housing affordability in Gloucester County with the resources available to the program.

AP-60 Public Housing – 91.220(h)

Introduction

There are two Public Housing Authorities in Gloucester County. The Glassboro Housing Authority serves that community while the Housing Authority of Gloucester County serves the rest of the County. Together the Authorities operate 442 units of public housing, 320 of them for the elderly.

The Glassboro Housing Authority is in the process of demolishing two developments with a total of 76 units, 60 of them family units.

Overall, units operated by both Housing Authorities are in fair condition and in need of minor rehab.

All Public Housing developments have occupancy rates in excess of 90% with most developments at 98-100 % occupied. Most developments have annual turnover rates of 5% or less.

In addition to operating Public Housing developments, both Housing Authorities also operate voucher programs. Glassboro has 163 families currently in their voucher program while the remainder of the County has 1,623 families receiving housing vouchers.

There are very large waiting lists for both Public Housing and voucher assistance. Countywide, more than 7,400 families are on the waiting list for Public Housing with nearly 4,000 on the waiting list for vouchers. An additional 560 families in Glassboro await voucher assistance.

Actions planned during the next year to address the needs to public housing

The County will augment the Public Housing voucher programs by providing \$108,000 in HOME funds for a Tenant Based Rental Assistance program.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Continued operation of resident councils at Public Housing developments.

Additionally, the *Housing Authority of Gloucester County* requires each non-exempt adult public housing resident to contribute a minimum of 8 hours of community service per month or participate in an economic self-sufficiency program for a least 8 hours per month. Residents will be referred to the Gloucester County Volunteer Center, which acts as a clearinghouse for residents to offer their time or services to organizations in need of volunteers. The Authority shall consider activities that are designed to encourage, train or facilitate economic independence as valid activities.

The Glassboro Housing Authority identifies the promotion of resident participation in its annual goals. The Authority recognizes the need for “Effective Resident Organization Partnerships”: Develop

residents' organizations on sites. Support and promote effective partnerships with resident organizations to insure proactive support for building, managing and maintaining sound, safe, affordable communities. The indicated "Performance Measure" is that resident councils will meet on a regular basis and consistently work with the Glassboro HA regarding problem identification and pursuing positive approaches to addressing community issues; the extent to which the vast majority of resident adults, their children and guests are in compliance with the terms and conditions of the lease provisions, especially related to drug-related criminal and/or violent behavior, which disrupts the peaceful enjoyment of the premises by the other residents.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Neither Housing Authority is designated as troubled.

Discussion

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The County's strategy for implementing its homelessness program is a multiple approach to the problem, focusing on the prevention of homelessness and the provision of emergency services for homeless persons and families.

The strategy for eliminating chronic homelessness flows from the priorities described in the Consolidated Plan for the period that includes the 2018 Program Year. Treating the homeless and providing the means and support necessary to make the transition to permanent housing and independent living are all a part of the efforts and programs in place in the County. The institutions and structure to properly address this issue are in place and are described in the homeless inventory section of the Plan.

As noted earlier in establishing our priorities, the prevention of homelessness is a key element in our efforts. By providing rehabilitation assistance and referral services for low-income households the County aims to prevent the conditions that would precipitate homelessness.

The County plans to employ the resources of the CDBG program, the HOME program, the Workforce Investment Board, the municipal housing authorities, the County Board of Social Services, and a number of not-for-profit service providers to achieve our goals.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Through fiscal and technical support for the front-line organizations that conduct this important work, Gloucester County will continue to reach out to the homeless, especially unsheltered homeless. The County's Point in Time Survey is one method area providers use to connect with the homeless and try to bring them into the regional support network to transition from homelessness.

On the prevention side of the equation, the 35 residential rehabs that the County plans to complete during the year will help avoid homelessness for at least some of the property owners.

Addressing the emergency shelter and transitional housing needs of homeless persons

Through fiscal and technical support for shelter and transitional housing providers and by offering networking opportunities for them.

Helping homeless persons (especially chronically homeless individuals and families, families

with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Expanding housing options for low income residents will shorten the period of homelessness. Gloucester County's plans in this area include support for the creation of additional affordable units and support for rent assistance through the Tenant Based Rental Assistance program.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The County's housing rehab program will help low-income homeowners avoid homelessness by providing repairs that will keep their homes inhabitable. Economic development activities will also prevent homelessness by expanding employment opportunities. The County's many social service providers also connect their own clients with other needed services, including job training, housing assistance, information on employment and child care and much more.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The national goal of decent, safe and sanitary housing for every American is the basis of the National Affordable Housing Act. Despite the great demand for more affordable housing, its supply has remained limited. Many developers and builders have cited government regulation as factors affecting production costs. In addition, some public policies inadvertently have made certain types of residential development less desirable, therefore, less profitable. Although public policies and governmental regulations are essential to ensure the public's health, safety and welfare, they also can limit market production efficiencies. Described below are a few that may be limiting the supply of affordable housing in Gloucester County. The programs, regulations and conditions discussed below affect land and housing cost. Some of these policies have their origin in a higher governmental authority than Gloucester County.

The most important impediment revolves around the lack of Federal and State resources for affordable housing initiatives.

Gloucester County and its municipalities do not put any limitations on growth. Through vehicles such as zoning ordinances, subdivision controls, permit systems, housing codes and standards new construction restrictions and rent control, Gloucester County has attempted to minimize the barriers that may impede the development of affordable housing.

The Affordable Housing Dilemma

As a largely suburban community in the greater Philadelphia area, Gloucester County continues to have relatively high housing costs. The Median Value of an existing owner occupied housing unit in Gloucester County is \$213,200, according to the 2016 American Community Survey, making the current housing prices well beyond "affordable" to many County residents. Housing in Gloucester County is, on the average, more expensive than Counties to the south in more rural areas, but more affordable than the counties north which are closer to Philadelphia, Trenton and North Jersey. Historically, the general rule for housing affordability has been a household spending 2.5 to 3 times their annual income on a home purchase and no more than 30% of a household's monthly income for shelter costs, including mortgage and taxes or rent, utilities and other housing expenses. Statistically the average family in Gloucester County can barely afford an average house, since the median household income (MHI) is \$78,592. Obviously, while \$78,592 may be the County's Median family income, it is not very low, or low income.

Affordable housing takes many forms, including age-restricted and accessible housing to allow seniors to age in place, and housing built through inclusionary zoning or density bonus ordinances, units that can be mandated to be kept affordable for years or forever. It could also be small homes on smaller lots "built without the bells and whistles." This housing can be rental or ownership. Older housing in need of rehabilitation would also be considered affordable except that lower income home buyers have no

liquid assets to make needed repairs upon purchase, even if they have adequate credit.

The recent policy of some funding sources to limit criminal background checks has presented a problem for some developers attempting to gain approvals for affordable housing projects. The practice limits a developer's ability to assure potential opponents that a project won't be a detriment to their community.

There are also some instances where push-back from NIMBY groups or elected officials can deter affordable housing development.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

While it is beyond the ability of the County or any of its municipalities to control market forces and other factors, there are some steps that can be taken. The County will:

- Through the use of HOME funding, continue to assist affordable housing development. The County will also continue to provide technical assistance to non-profit organizations seeking state and federal funds for affordable housing development both rental and homeownership.
- Continue the homebuyers program to help families afford home ownership.
- Work with municipalities to assess zoning, design guidelines and local government standards to ensure that these elements of the construction process do not hinder the creation of affordable housing.
- Review building fee ordinances if requested by municipalities and recommend modifications as necessary; investigate possibility of non-profit organizations having fees waived.
- Continue to seek supplementary funding and opportunities to leverage limited resources.

AP-85 Other Actions – 91.220(k)

Introduction:

Whether fostering partnerships among Gloucester County's various agencies and organizations or looking to continue to develop the County's own staff or keeping on top of the latest tools to combat lead-based paint poisoning and the cycle of poverty, the County's Department of Public Works, Division on Planning will continue going beyond minimum requirements and basic expectations for one simple reason – so many of our County's most vulnerable residents deserve no less.

Actions planned to address obstacles to meeting underserved needs

Continued vigilance for opportunities to link, leverage and otherwise expand resources for the County and its many partners.

Actions planned to foster and maintain affordable housing

The County is funding several activities that foster and maintain affordable housing: Owner-occupied rehab, a Tenant Based Rental Assistance program and construction of new homebuyer units.

Actions planned to reduce lead-based paint hazards

Lead hazards are addressed during housing rehabilitation efforts. All homes that receive rehabilitation assistance are tested for the presence of lead-based paint. When evidence of paint is found, surfaces are removed or the material is encapsulated to prevent exposure. In the homebuyers program, when defective painted surfaces are found, the surface must be tested for lead-based paint as well and treated by a qualified trained contractor.

The County's Lead-Based Hazard reduction strategy, administered by the Department of Health, involves the administration of the Lead Intervention for Children at Risk Program (LICAR) which supports the abatement or reduction of lead-based paint hazards in low-income housing.

The Department of Health provides administrative and program delivery staff responsible for marketing the LICAR program; conducting application intake, review, and approval; completing environmental reviews; completing housing inspections and when funding is available preparing work write-ups and cost estimates for lead hazard control work; preparing contractor bid packages and supervising advertisement for bids and selection of contractors; managing temporary resident relocation while lead hazard control work is being completed and monitoring work in progress through to completion.

Lead-based paint poses a particular hazard to children under the age of six, and is the focus of efforts by

HUD to raise awareness of the problem and mitigate or eliminate the hazard.

Actions planned to reduce the number of poverty-level families

The County's anti-poverty strategy is linked to the Economic Programs that have been implemented and operated for almost a decade. The objective of poverty reduction requires programming for job readiness areas, including job training and placement, supportive public services, education and basic skills development. The overriding principle however is to create new jobs and opportunities for households with incomes below the poverty level. It is only through comprehensive, coordinated strategies that nurture skills and provide opportunities to gain and retain employment and thus improve the quality of life, that people can improve their situation.

Numerous programs currently exist in the County to help address the problems of poverty. These include:

- Board of Social Services programs that provide single mothers with children the opportunity to receive welfare benefits, such as TANF, in coordination with job training.
- programs administered by the Dept. of Economic Development, such as the federal Workforce Investment Act program, offer job training, job search assistance and job placement services to low income households. All persons receiving welfare assistance from the Board of Social Services are referred to the Department of Economic Development, WIA Division, for job training and employment services.
- within the Department of Public Works, the Division of Planning and the Division of WIA work closely together to create job opportunities through economic development projects and initiatives carried out under the CDBG Program.
- the Boards of Education throughout the county offer help obtaining high school diplomas or the GED certificate. The County facilitates and supports programs to coordinate training programs provided by public institutions with the needs of employers.
- The Vo-tech school, the community college and Continuing Education Programs provide training and educational opportunities.
- day care funding throughout the County
- long-term employment opportunities for severely disabled adults, and
- life skills development programs.

All projects to be funded with CDBG funding are encouraged to follow the language of Section 3 requirements to recruit needed employees from very low income neighborhoods and where possible from the pool of WIA Program graduates. This coordinated effort will create additional employment opportunities for low-income residents. All economic development activities/projects that create jobs will also be coordinated with the WIA and the FDP Programs. Only viable employment opportunities can assist low-income households achieve financial self-sufficiency, which is important in alleviating the

problems of poverty and its vicious cycle.

Employment programs reach only a part of the poverty population. Many of the people living in poverty are not employable and thus the County works cooperatively with numerous public, social, and civic service organizations to develop and implement direct assistance and service delivery programs to improve the quality of life of these persons. The first step of providing health and social services is necessary to enable an unemployed person to become employable.

The County has been providing financial assistance through direct grants as well as technical and advisory assistance to non-profits and community agencies that administer a wide variety of programs for lower income residents. These programs have an immediate impact on primary needs of the low-income population and the causes of poverty. CDBG provides the core funding for critical basic needs including youth and senior services and housing.

Actions planned to develop institutional structure

Continued participation in regional and state networking and information opportunities. Also continued familiarity with the service providers in Gloucester County and in neighboring and nearby counties.

Actions planned to enhance coordination between public and private housing and social service agencies

As a common partner with so many of the public and private housing and social service providers, the Gloucester County Department of Public Works, Division of Planning has been a natural conduit for communication and interaction among these entities. The CD Program will continue to serve in that capacity while respecting the autonomy and uniqueness of each partner.

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is

as follows:

Gloucester County will not provide forms of assistance that are inconsistent with 24CFR 92.205 as detailed in 92.205(b) *Forms of assistance (1) and (2)*.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Gloucester County uses HOME funds for two types of homebuyer activities. They are

- 1) homebuyer purchase assistance, which provides loans to help with down payments and closing costs, and
- 2) direct buyer subsidy for houses constructed or rehabbed, in whole or in part, with HOME funds, generally built or rehabbed by the County's non-profit partners, both CHDO and non-CHDO alike.

Gloucester County has chosen to use the **Recapture** option for all programs. The HOME program's investment, and thus the period of affordability, is ensured in all cases by a mortgage and note payable to the County should the property be sold during the period of affordability.

Repayments are in the amount of the direct subsidy, subject to availability of net proceeds. For the homebuyer down payment assistance program, all HOME funds are considered the direct subsidy. In the construction/rehab sale properties, the direct subsidy is the amount of HOME funds used to reduce or help reduce the sales price from market value to an amount affordable to the buyer.

In the event that net proceeds – defined as sales price less other debt on the property – is insufficient to repay the entire direct subsidy, the recaptured amount shall be determined by the following formula: HOME direct subsidy/Total project cost x net proceeds = Recapture amount.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The HOME program's investment, and thus the period of affordability, is ensured in all cases by a mortgage and note payable to Gloucester County should the property be sold during the period of affordability.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is

rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Not applicable - Gloucester County does not plan to use HOME funds to refinance existing debt secured by multifamily housing that is rehabilitate with HOME funds.

Eligible applicants for all Gloucester County programs funded with HOME resources will be Gloucester County residents (or soon to be Gloucester County residents in the case of applicants seeking Downpayment and closing cost assistance) who meet current HOME program income limits OR non-profit or for-profit organizations who will provide housing to individuals and families meeting current HOME program income limits.

Applications and detailed information for the individual programs – homebuyer, housing rehab and Tenant Based Rental Assistance – are available at the jurisdiction office and the jurisdiction website. The programs are marketed throughout the county and marketing includes information on how to obtain additional details. Eligible applicants to these programs are assisted on a first-come, first-served basis.

Applications from organizations, including CHDOs, seeking HOME funds are accepted following a Call for Projects, which is sent to designated CHDOs and other developers and publicized on the County website and in regional newspapers. Projects are selected for HOME funding based on the organization’s record in housing development and/or management, the amount of HOME funds requested, the number of units to be produced, leveraging and anticipated project timeliness.

As noted in the AP-38 project descriptions, for homebuyer assistance and rehabilitation of owner-occupied units using HOME funds, Gloucester County will use the maximum value limits for the area provided by HUD.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2018, _____ (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its

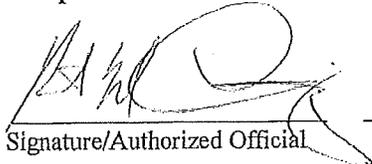

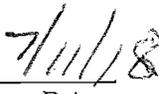

jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws -- It will comply with applicable laws.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

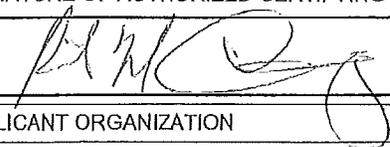

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.
