Either party to this Contract may demand that a dispute concerning whether a party has failed to make payments pursuant to the provisions of N.J.S.A. 2A:30A-1 et. seq., be submitted to non-binding mediation.

If mediation is demanded, it shall be demanded consistent with the County's provisions concerning Alternative Dispute Resolution for contracts to which N.J.S.A. 40A:11-50 is applicable. Those provisions are set forth below, [Note: Alternative Dispute Resolution shall not be available with regard to disputes concerning the bid solicitation or award process or the formation of contracts or subcontracts entered into pursuant to the New Jersey Local Public Contracts Law.]

The County's Alternative Dispute Resolution procedure is as follows:

- A. **Controversies and Claims Subject to Mediation.** Any controversy or claim arising out of or related to the contract, or the breach thereof, shall be settled by mediation.

If a dispute between County and Contractor arises during the course of the contract, the parties will make a good faith effort to resolve the dispute through non-binding mediation.

- B. **Contract Performance Pending Mediation.** During mediation proceedings, Contractor shall continue to perform, and County shall continue to make payments pursuant to the terms of the Contract.

- C. **When Mediation May be Demanded.** Prior to either party demanding mediation, the aggrieved party shall attempt to resolve the problem directly with the other party. The aggrieved party shall submit a written notice of dispute to the other party. The other party shall respond in writing.

Demand for mediation of any claim shall not be made until the earlier of the following:

- (a) five (5) business days after the other party has provided its written response to the aggrieved party's notice of dispute;
- (b) 30 days have passed after submission of the original, written claim by the aggrieved party and the other party has not responded.

If the written response from the other party does not resolve the dispute, the aggrieved party shall have 30 days from the delivery of the other party's response to file a demand for mediation. If the aggrieved party fails to do so, it shall be deemed to have waived its right pursuant to this contract to demand Alternative Dispute Resolution.

A party who files a "Notice of Demand for Mediation" must assert in the demand all claims then known to that party for which mediation may be demanded. If a party fails to include a claim because of excusable neglect, or when a claim has matured or been acquired subsequently, the mediator or mediators may permit amendments.

D. **Procedure to Request Mediation.** Either party may demand mediation by written notice to the other party. The written notice shall contain at minimum (1) a brief statement of the nature of the dispute, and (b) the name, address and the phone number of that party's designated representative for purposes of mediation. The other party shall designate its representative for mediation in writing no later than five (5) business days after receipt of the demand for mediation. The respective designees shall thereupon promptly, and with due regard for the need for timely action, choose a mediator. If the parties cannot agree on a mediator, they shall choose a reputable mediation firm.

Any mediation firm so chosen shall present a list of at least five (5) proposed mediators to the parties and shall provide the parties with a summary of each person's qualifications to serve as mediator. Each party shall rank the proposed mediators in order of preference.

The fifth and any lower ranked persons on each list will be excluded from further consideration.

The chosen mediator shall be the remaining person who is the combined highest ranking mediator on both preference lists, after deleting all excluded persons.

In the event of a tie, the mediator shall be chosen by lot.

E. **Procedures at Mediation.** The mediation shall be conducted in such reasonable and efficient manner as may be agreed between the parties and the mediator or, if the parties cannot agree, as may be determined by the mediator.

The parties will not be bound by the Rules of Evidence in presenting their positions before the mediator.

F. **Cost of Mediation.** Each party will bear its own cost of participation in the mediation. The mediator's fee will be divided equally between the parties.

G. **Failure of Mediation.** If a good faith effort to resolve the dispute through mediation is unsuccessful, either party may terminate the mediation by written notice to the mediator and to the other party. Thereafter, either party may submit the dispute to the Superior Court of New Jersey, Gloucester County, for adjudication, which court shall have exclusive original jurisdiction over the dispute.

15. **PARTIAL INVALIDITY.** In the event that any provision of this Contract shall be or become invalid under any law or applicable regulation, such invalidity shall not affect the validity or enforceability of any other provision of this Contract.

16. **CHANGES.** This Contract may be modified by approved change orders, consistent with applicable laws, rules and regulations. The County, without invalidating this Contract, may order changes consisting of additions, deletions, and/or modifications, and the contract sum shall be adjusted accordingly. This Contract and the contract terms may be changed only by change order. The cost or credit to the County from change in this Contract shall be determined by mutual agreement before executing the change involved.

17. **NOTICES.** Notices required by this Contract shall be effective upon mailing of notice by regular and certified mail to the addresses set forth above, or by personal service, or if such notice cannot be delivered or personally served, then by any procedure for notice pursuant to the Rules of Court of the State of New Jersey.

18. **COMPLIANCE WITH APPLICABLE LAW.** Contractor shall at all times during the course of the effective period of this Contract comply with and be subject to all applicable laws, rules and regulations of the State of New Jersey and of any other entity having jurisdiction pertaining to the performance of Contractor's services.

19. **INDEPENDENT CONTRACTOR STATUS.** The parties acknowledge that Contractor is an independent contractor, and is not an agent of the County.

20. **CONFIDENTIALITY.** Contractor agrees not to divulge or release any information, reports, or recommendations developed or obtained in connection with the performance of this Contract, during the term of this Contract, except to authorized County personnel or upon prior approval of the County.

21. **BINDING EFFECT.** This Contract shall be binding on the undersigned, and their successors and assigns.

22. **CONTRACT PARTS.** This Contract consists of this Contract document, and the RFP, and the Contractor's Proposal, all of which are referred to and incorporated herein by reference. Should there occur a conflict between this form of Contract and the RFP, then this Contract shall prevail. If there should occur a conflict between either this form of Contract or the RFP and the Contractor's Proposal, then this Contract and the RFP shall prevail.

THIS CONTRACT is effective as of this 26th day of **November 2013**.

IN WITNESS WHEREOF, the County has caused this instrument to be signed by its Director, attested by its Clerk, and its corporate seal affixed hereunto, pursuant to a Resolution of the said party of the first part passed for that purpose, and Contractor has caused this instrument to be signed by its properly authorized representative and its corporate seal affixed the day and year first above written.
