Cleve opened the meeting at 2:00 p.m.

A motion to approve February 18, 2014 minutes was made by S. Uhr, seconded by M. Vasquez.

Student Report

The student reported having a very positive experience while in the program. She did express concern with new high school equivalency test.

Status

Sandy reported student attendance this month was low due to bad weather. Two GED students obtain employment and/or post-secondary. They had 3 new starts. No new completers to report this month. Currently have 18 students enrolled. Several career workshops were held.

Cleve asked Sandy if they have a relationship with the Probation Office. Sandy said yes they have a few students. The issue is there is not follow up by the Probation Officer to make sure the student has been attending.

A motion for adjournment was made.

The next meeting will be held April 15, 2014.

Respectfully submitted,

Bridget A. DiGiambattista, WIB Staff
