# 2015 AUTHORITY BUDGET MESSAGE & ANALYSIS POLLUTION CONTROL FINANCING AUTHORITY OF GLOUCESTER COUNTY

## AUTHORITY BUDGET

FISCAL YEAR: FROM: February 1, 2015 TO: January 31, 2016

*Answer all questions below. Attach additional pages and schedules as needed.*

1. Complete a brief statement on the 2015 proposed Annual Budget and make comparison to the 2014 adopted budget for each operation. Explain any variances over +/-10% for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide a copy of the resolution authorizing the rate increase.

*The proposed budget for the year 2015 is exactly the same as the 2014 budget with the exception that the appropriations are distributed in the proposed budget*

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% from the current year adopted budget.

*The anticipated revenues for the year are the same as the previous revenues*

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

*Although the local economy is down, it will not have any effect on the proposed budget*

4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

*As in the past current operations are being funded for the most part from fund balance created by pollution control fee when done*

5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).

*Not Applicable*

6. The proposed budget must not reflect an anticipated deficit from 2015 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

*Not Applicable*

7. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable.

8. Attach a copy of the Authority's most recent Annual Operating Data submission to the Municipal Securities Rulemaking Board's Electronic Municipal Marketplace Access (EMMA) under the Authority's Continuing Disclosure Agreements for any debt issuances outstanding. Examples of Annual Operating Data may include sewer and water billings; parking rents and collections; number of customers; number of available parking spaces; etc. See Local Finance Notice 2014-9 for more information.

*Not Applicable - Authority itself has no debt only acts as conduit for the issuance of debt*
