Tired of getting discourage when you come home from a great public garden and look at your backyard? This lecture is the perfect cure. Art Wolk, will review how the home gardener can empowering lecture will also include the basics of flower garden design.

Symposium Speakers Bios

Dan Benarcik

Dan Worked at Mt. Cuba Center, as the Woods Path gardener. In 1993, he went to work for Chanticleer Garden in Wayne, PA. He oversees the Courtyard Gardens with an emphasis on tropical, sub-tropical and tender perennials for seasonal display. He’s part of the continuing education program at Longwood Gardens where he teaches the Groundcover classes.

Suzanne Wainwright-Evans “The Bug Lady”

An Ornamental Entomologist specializing in integrated pest management. Suzanne has been involved in the Green Industry for more than 18 years with a primary focus on biological control and using pesticides properly. Suzanne is frequently published in trade magazines, teaches her extensive library of insect photos and macro insect movies. She has been a repeat guest on Martha Stewart Living Radio as well as appeared on Growing a Greener World on PBS.

Art Wolk

An award winning writer, lecturer, photographer and Grand Sweepstakes Winner at the Philadelphia Flower Show. He infuses his writings and lectures with a combination of horticultural expertise and a sharp sense of humor.

Art has appeared on the Discovery Channel, CBS, FOX and Home and Garden TV Network and has been interviewed on radio stations through-out the country, including the National Public Radio.
