The Gloucester County Board of Chosen Freeholders hosted their annual Senior Citizen Holiday Parties on December 4th, 5th, 11th and 12th. We would like to extend our gratitude to Woodbury Heights Elementary School for entertaining us this year and to the following business for their generous donations: Franklinville Inn, Charlie Browns, Yummy Yummy Bakery, Telford Inn, Dippy's, Village Pub, Chef Chuns, Sweet Lula, Hot Diggity Dog, Zimmermans Country Market, Zimmermans Animal Market, Botto's, Swedesboro Diner, Swedesboro Pastry Shoppe, and the Pitman Theater. Seniors also enjoyed music by "Nice and Easy." Approximately 1,800 seniors attended; everyone had a great time and enjoyed themselves at the parties!

Project Lifesaver

Individuals suffering from Alzheimer's disease and related dementia disorders are at risk of becoming lost due to memory and cognitive changes that occur as part of the disease. Participants in the Project Lifesaver Program wear a light weight wristband which emits a unique tracking signal. When a participant is reported missing, the Gloucester County Office of the Sheriff responds immediately. Search times have been reduced from hours and days to minutes with this program, which can mean the difference between life and death. For more information, please contact the Office of the Sheriff at (856) 384-4626.

Coping with the Cold

For many older adults, the drop in temperature can pose a danger. Stay safe at home by being prepared:

- Keep a battery-powered radio, flashlight, and extra batteries handy.
- Stock up on non-perishable foods and bottled water. Have enough on hand for several days.
- If you are taking medication, check your supply and order ahead of time.
- Keep in close touch with a neighbor or friend. Check on one another during snowstorms.

If you or someone you know is having a problem coping with the cold weather, please contact the Division of Senior Services at (856) 384-6900.

If driving, follow these guidelines during the winter months:

- Keep the gas tank near full to help avoid ice in the tank and fuel lines during the winter.
- Keep a bag of kitty litter or sand to help with traction.
- Be sure to have a windshield scraper, deicer, a shovel, and brightly colored cloth in case of a break-down/emergency.

Taking preventive action is your best defense against having to deal with extreme cold-weather conditions. By preparing your home and car in advance for winter emergencies, and by observing safety precautions during times of extremely cold weather, you can reduce the risk of weather-related health problems.

Outreach to the Elderly

Do you know someone who is homebound and in need of assistance? Gloucester County Senior Services runs an Outreach Program that aims to seek out individuals who are unable to actively seek help for themselves. It helps seniors solve problems and figure out solutions. Home visits offer seniors access to information and assistance and linkages to services to enhance their quality of life. For more information, please contact the Division of Senior Services at (856) 384-6900.

Wellness and Active Aging

One of the best ways to improve physical and cognitive health is exercise. The US Surgeon General has recommended a "Call to Action to Promote Walking" as an essential ingredient in improving health. Simply walking 30 minutes a day can help people prevent, delay, or manage chronic conditions such as arthritis, diabetes and heart disease as well as reduce the risk of falls. The Gloucester County Health Department offers wellness programs to keep you active and moving such as Tai Chi, Step by Step Walking Program, Arthritis Move Today Program, and Sunrise Yoga. Call (856) 218-4106 for more information.

Caregiver Support Program

The Gloucester County Caregiver Support Program responds to the needs of Caregivers by providing them with support and assistance in accessing services to help maintain needs of their loved ones. Individual counseling and a monthly caregiver's support group is available. For more information please call the Division of Senior Services at 856-686-8338.
