 - **Regional Transit:** Nick reported we are under agreement for the Pureland East/West Shuttle with NJ DOT for \$1,000.000.00 This will help fund it until July 2027. This will give us some more time to find sustainable funding. Ridership is increasing year after year since Covid. When the GCL comes to Glassboro the Pureland shuttle will be a great feeder system for the residence.

He also mentioned the Tri-annual and we were not picked for review from the Federal Transit Authority. SCATRTAP CAC is losing a Southern member and NJ Transit is looking for participants to join the committee.
