Shop Local during the holiday season

Each dollar spent at an independent business returns three times more money to the local economy. Gloucester County is the home to hundreds of locally owned and operated eateries, breweries, wineries, retail and specialty stores, and we encourage our residents to think of them first when spending their hard-earned dollars.

By shopping local we will:

Promote Local Job Growth.

Feed the Local Economy.

Preserve The Quality of Life and Character of My Community.

Save Time, Money, and The Planet.

Retain or Increase My Property Value.

Preserve the Uniqueness of My Community.

Nutrition Program for Seniors

The Nutrition Program provides a well-balanced mid-day meal Monday through Friday to seniors who are 60 or older or the spouse of a participant. Meals are planned by a nutritionist to ensure the recommended nutrients. Sites are at Mantua Township Community Center, Glassboro Senior Center, Thorofare Fire Hall, Pfeiffer Community Center, First Baptist Church Jericho and Second Baptist Church in Paulsboro. A donation of \$1.25 is accepted for each meal, however, there is no obligation to contribute. **Nutrition Sites will be closed on December 24-25.**

Serv-a-Tray is our home-delivered meal program designed to maintain health through proper nutrition and enable homebound seniors to remain in the community with independence and dignity. To be eligible, persons must be age 60 or older; homebound; unable to shop or prepare their own meals; have no one to assist with meals; and be on a regular diet.

For more information on our Nutrition Programs, please visit www.gloucestercountynj.gov or call the Division of Senior Services at (856) 686-8327.

Remember to decorate safely this year!

As the holidays near, Gloucester County Board of Commissioners, County Fire Marshal and K-9 Ember would like to advise residents of safety precautions while decorating.

Inside Decor Tips:

- Use holiday decorations made with flame-retardant or non-combustible materials.
- Carefully inspect new and previously used light strings and replace damaged items before plugging lights in.
- Do not overload extension cords.

Outside Decor Tips:

- Be sure to use only lights rated for outdoor use.
- Consider replacing older outdoor lights with newer LED lights that are 'greener' and cooler in temperature.
- Securely anchor outdoor lights and decorations against the wind and storms with insulated holders or hooks.

Happy Holidays!

Holiday Tips for Families of Substance Users and Those in Recovery

The holiday season is meant to be a joyous occasion that brings family and friends together. But even in the midst of all the excitement, there are often moments of stress and anxiety. If you are recovering from addiction or a family member of someone in recovery, the Gloucester County Board of Commissioner and the Addictions Task Force has resources for you.

Explore Nature— Even in the colder months!

Scotland Run Park's Nature Center was renovated in 2019 from an artifact/museum type of center with taxidermy animals into a location that houses live animals including snakes, frogs, turtles, salamanders, and aquatic specimens that would be found at Scotland Run Park and various parts of Gloucester County. The nature center offers a variety of environmental education programs for all ages.

Visit the Nature Center at Scotland Run Park 980 E. Academy St. Clayton, NJ. The center is open Thursday and Friday from 1 p.m. to 4 p.m. and Saturdays and Sundays from 9 a.m. to 3 p.m.
