## LOOKING FOR TRUE LOVE? CONSIDER PET ADOPTION

As Valentine's Day approaches, the Gloucester County Animal Shelter (GCAS) encourages residents to consider adopting a pet. GCAS is in continual need of adopters to provide a forever home to a furry friend, whether it be a dog, cat, rabbit, or even a guinea pig.

## DELIVERING JOY TO OUR SENIORS

On Tuesday, November 21, a collective effort of service resulted in the delivery of 60 Thanksgiving meals to senior residents throughout Gloucester County!

Each recipient received not only a full Thanksgiving meal, but also an additional bag of goodies - including apple pie, cheese and crackers, oranges, apples, cranberry juice, and even a holiday card.

Deserving seniors were identified and the meals were distributed by the Gloucester County Division of Senior Services staff, along with AmieriCorps Seniors volunteers and Deputy Director Jim Jefferson, liaison to the Division.

Deputy Director Jefferson commented, "Our Senior Services staff works so hard all year to support our senior citizens throughout the county. Today was just another example of the great work they do, day in and day out. As I joined our staff to deliver Thanksgiving meals to seniors, we shared smiles, laughs, and so many hugs of appreciation."

In addition to its ongoing duties, Gloucester County's Department of Public Works has been hard at work transforming Atkinson Park, one of the County's most beloved green spaces. Stay tuned as the department continues to breathe new life into Atkinson Park.
