## Highland Students Visit the DREAM Park

Interacting with therapy horses can be incredibly therapeutic, and I'm sure Daisy, Jack, Delsea, and Dove brought smiles to everyone's faces. The gentle touch of their fur and the calming presence of these magnificent animals can create lasting memories.

Learning about these majestic creatures and their role in providing therapy and joy can be truly inspiring.

Exploring the DREAM Park and meeting the lesson horses was certainly an educational adventure!

# What is a Slide Stop?

## Eastern PA Reining Horse puts on an impressive show!

Watch all the excitement at the DREAM Park. The athleticism of these talented horses is truly awe-inspiring. Let's break down what makes their performance so remarkable:

**1. Slide Stop:** During a slide stop, a reining horse demonstrates its agility and strength. The rider cues the horse to halt abruptly while maintaining balance on its hindquarters. The horse digs its hind legs into the ground, creating a controlled skid. The communication between rider and horse is crucial here: the timing and precision are remarkable.

**2. Preparation for the Next Maneuver:** After the slide stop, the horse swiftly transitions into the next maneuver. Whether it's a spin, rollback, or another impressive reining pattern, the horse's responsiveness and willingness to follow the rider's cues are essential. The bond between rider and horse is evident as they seamlessly move from one action to the next.

Reining is a discipline that demands precision, trust, and harmony between horse and rider. The Eastern PA Reining Horse Association is at the DREAM Park July 11-14. Come out and watch this amazing show!

## Happy "Gotcha" Month to Big n' Rich

Thank you to the Gloucester County Animal Shelter for the best barn cats!

Some cats may not be comfortable living in a traditional home setting, so the "Working Cat Program" allows them to live out their life in a more suitable setting.

We are so thankful for these two and feel they love their life at the DREAM Park. For more information about the Working Cat Program, visit <https://www.gloucestercountynj.gov/1210/Working-Cat-Program>
