INTERNATIONAL FOOD & CRAFT BEER FESTIVAL RETURNS!

The Gloucester County Board of Commissioners proudly announces the second annual **International Food & Craft Beer Festival**, which will take place on **Saturday, August 3**, from 12:00pm to 6:00pm, at Red Bank Battlefield, located at 100 Hessian Avenue in National Park. (The rain date for this event is **Sunday, August 4**.)

Director Frank J. DiMarco expressed his excitement about the upcoming Festival. "Last year's inaugural event was a phenomenal success, with over 7,000 people in attendance. Our employees did an incredible job organizing and executing the event, and are working hard to make this year's edition even bigger and better!", noted DiMarco.

Attendees will have the opportunity to enjoy live music, games, kid's activities, international foods, and, of course, beer.

The event also highlights the many services available through Gloucester County as well as many of our local businesses.

Entry to the Festival is \$5 per person. There are additional charges for beer and food.

For more information about the International Food & Craft Beer Festival, please, visit <https://www.gloucestercountynj.gov/1408>, scan the QR code, email gcparksandrec@co.goucester.nj.us, or call (856) 251-6710.

MAINTAINING OUR COUNTY'S ROADWAYS

Commissioner Matthew Weng, Liaison to the Gloucester Department of Public Works, reminds residents that maintaining the more than 400 miles of County roadway involves more than just pothole repair. The recent projects shown below illustrate the wide range of work that goes into keeping our roads safe.

Ditch maintenance being performed on CR 694 Monroeville Road in South Harrison.

This machine helps reshape drainage ditches along the edge of roads while also helping cut down on weeds growing in and adjacent to the drainage ditches.

Boom mowing on CR 555 Tuckahoe Road in Monroe.

Roadside mowing being performed on CR 637 Academy Street in Elk.

Debris removal at a bridge on CR 615 Malaga Park Drive in Franklin.

Weed whacking and mowing at the intersection of CR 538 Swedesboro Road and Little Mill Road in Franklin.

Sinkhole repair on CR 581 Commissioners Road in Harrison Township.

Installation of new HDPE storm pipe following collapse of old pipe during storms.

MAKE A DIFFERENCE AT THE GLOUCESTER COUNTY ANIMAL SHELTER

The Gloucester County Animal Shelter, located at 1200 North Delsea Drive in Clayton, invites residents to get involved and make a difference in the lives of animals by volunteering, fostering, and/or adopting. **Read the details below and scan the QR codes to get started, or visit <https://www.glocestercountynj.gov/160/>.**

Volunteer

If you love animals and have a few hours to give, you can volunteer at the Shelter! Volunteers can help in a number of different ways:

- Assisting with tasks such as light cleaning or assisting in our laundry room
- Escorting potential pet parents through our adoption areas
- Socializing cats and kittens
- Taking dogs outside for walks

Potential volunteers must be over 18 years of age (we're sorry, no exceptions). To get started, all you need to do is complete a volunteer application then attend a volunteer orientation. You can give as much or as little time as you can afford. There is never a time commitment required.

Foster

We are always looking for responsible, animal-loving people who are willing to open up their hearts and homes to animals. Sometimes the Shelter doesn't have the ability to help these animals and looks for caring individuals to give their time and care. Some of the types of animals that may need a foster home are sick dogs or cats, mommies with litters of kittens or puppies (especially babies that need to be bottle-fed), or animals that need to be socialized or trained.

Adoption

While adopting an animal from the Shelter does involve a few steps, it offers an opportunity to make a forever difference in the life of an animal and a constant source of joy to your family. Steps are in place to protect the best interests of the animals and give them the best possible chance of finding a permanent home. After completing a pre-adoption questionnaire and receiving approval, potential adopters have the opportunity to handle and visit the animal they're interested in. A counseling session with a knowledgeable member of our staff provides information on the history and needs of that animal and the opportunity to ask questions about spaying and neutering, housetraining, veterinary care, how to deal with fleas and ticks, and anything else one can think of. While adoption does involve a fee, Commissioner Director Frank J. DiMarco recently announced that adoption fees for all dogs have been reduced to \$35.

SUMMER SAFETY FOR SENIORS

Summer safety is crucial for senior citizens, especially during July's hot and humid days. As we age, our bodies become less efficient at regulating temperature, making older adults more susceptible to heat-related illnesses. Here are some essential tips to keep seniors safe and healthy during the rising temperatures of summer.

Stay Hydrated

Drink at least eight glasses of water or fruit juices daily. Avoid alcoholic and caffeinated beverages, as they can lead to dehydration. Increase fluid intake if you're physically active or if the weather is particularly hot.

Seek Shade and Stay Indoors

Extreme heat and high humidity can strain the body's ability to maintain a normal temperature. Limit outdoor activity during the most intense sun hours (10 am to 4 pm). If possible, stay indoors during extreme heat. Air-conditioning is essential; visit places with AC if your home doesn't have it.

Dress Appropriately

Wear loose-fitting, lightweight clothing made of natural, breathable fabrics like cotton. Opt for light colors that reflect the sun's rays rather than darker colors that absorb heat.

Protect Your Skin and Eyes

Wear sunglasses to block harmful UV rays and protect your vision. Use sunscreen with SPF 30 or higher that guards against both UVA and UVB radiation. Don hats to shield your face and neck from sun exposure.

Know Your Medications

Some medications can increase sensitivity to the sun. Review your prescriptions and discuss any concerns with your doctor.

Recognize Heat-Related Illnesses

Be aware of signs such as disorientation, dry skin, excessive tiredness, headache, nausea, and confusion. Seek medical attention promptly if you experience symptoms of heat stroke, heat exhaustion, or dehydration.

VETERAN'S SERVICES AVAILABLE

Commissioner Denice DiCarlo, Liaison to the Office of Veterans Affairs, reminds veterans of the many resources available through the office. "In Gloucester County, our veterans are our priority. Your commitment to serving our country will never be forgotten", noted DiCarlo. "We are here to assist our veterans, so please make sure that you know about all the programs and services that are offered."

The Office of Veterans Affairs is open five days a week to assist with vocational rehabilitation, free wills, VA disability claims, VA healthcare applications, discharge paperwork, appointments at the Gloucester County VA Clinic, and more.

Please reach out to the office if you are in need of assistance or have any questions about benefits and programs you may be eligible for. You can visit the office at 211 County House Road in Sewell, call (856) 401-7660, visit <https://www.glocestercountynj.gov/267/>, or scan the QR code.

SUMMER SPORTS SKILLS CAMP

The Gloucester County Department of Parks and Recreation offers Summer Sports Skills Camps for boys and girls aged 3 to 10. These special camps allow children the opportunity to play and acquire skills in three sports each day - soccer, basketball, and baseball.

The camps will be held at James G. Atkinson Park, located at 138 Bethel Mill Road in Sewell. Sessions will be held **Monday, July 15 through Thursday, July 18** and **Monday, July 22 through Thursday, July 25**. Campers can sign up for one or both weeks.

For children aged 3 and 4, the camp offers a 90 minute parent/child session at 9:00am each day. The fee is \$90 per week. For children aged 5 to 10, the sessions run from 9:00am to 12:00pm each day. The fee is \$180 per week.

JULY IS HEALTHY VISION MONTH

This month is dedicated to prioritizing eye health as one prioritizes eating healthy and physical activity.

Healthy Vision Month is dedicated to people of all ages.

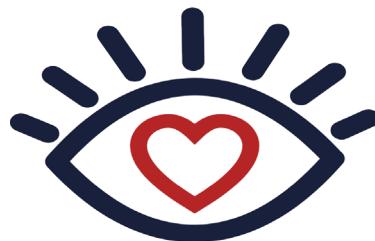

Though older adults tend to have more vision problems, even those as young as preschoolers can have vision issues as well. Only 1 out of 7 preschoolers receive an eye exam, and only 1 out of 4 receive vision screenings. It is recommended by the U.S. Preventive Services Task force to have children between the ages 3 to 5 years to check for irregular problems.

There are some eye conditions which can eventually lead to blindness. These conditions include cataracts, diabetic retinopathy, glaucoma, and macular degeneration. These conditions can be discovered through regular eye exams.

Ways to protect your vision include knowing your family's eye health history, maintaining a healthy weight, wearing sunglasses, and wearing protective eyewear when needed.

For more information on healthy vision please visit:
