ALL THE NEWS YOU NEED AND MORE FROM GLOUCESTER COUNTY

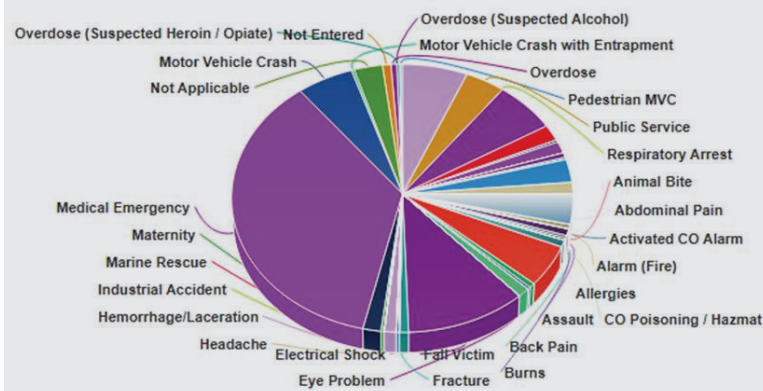

## GLOUCESTER COUNTY LEADS THE STATE IN EMERGENCY RESPONSE

Under the oversight of Commissioner Director Frank DiMarco and Commissioner Liaison Tom Bianco, Gloucester County Emergency Response continues to set the standard as the first county-wide emergency response center in New Jersey. Originally launched as the Gloucester County Communications Center, the operation has grown from dispatching a handful of fire and EMS units to coordinating all 41 fire departments, 6 ambulance squads, and 4 paramedic units countywide.

Our Police Communications Center now dispatches for all 24 municipalities, as well as the Sheriff's Department, Prosecutor's Office, SWAT, and the Mobile Deployment Team.

**This year alone, GCEMS has responded to well over 30,000 calls for service, including more than 10,700 medical emergencies, keeping residents safe with swift and reliable service.**

# STAYING STRONG IN SOBRIETY THIS HOLIDAY SEASON

The holiday season can bring joy, but it can also be a challenging time for those in recovery and their loved ones. Stress, family gatherings, and social events may trigger old habits - but with planning and support, sobriety can remain the priority.

- **Plan ahead:** Bring your own non-alcoholic drinks and have an exit strategy if situations feel overwhelming.
- **Lean on support:** Stay connected to recovery meetings, sponsors, or trusted friends.
- **Set boundaries:** It's okay to say no to events that may threaten your progress.
- **Prioritize self-care:** Rest, healthy meals, and quiet time can help manage stress.
- **Family role:** Loved ones can support recovery by offering encouragement, avoiding alcohol-centered activities, and creating safe spaces for connection.

Remember - sobriety is a gift worth protecting. If you or someone you know needs support, reach out to the Gloucester County Addiction Services Division at 856-384-6929 or scan the QR code.
