

Youth Education and Career Center Open for Business!

The Gloucester County Youth Education and Career Center (YECC) is operating, successfully, in a hybrid fashion. Out-of-school youth can receive their high school diploma and participate in vocational experiences - not like before - but ultimately, a step forward toward their educational goal. Since the hybrid YECC facility opened in September, there have been eight graduates. To find out more about YECC click on the photo for a direct link to the site.

Lisa Cerny received the NJAC's County Service Award

Lisa A. Cerny
Director - Human & Disability Services

December 10, 2020 The Workforce Development Board would like to congratulate Lisa Cerny upon receiving the County Service Award presented by the New Jersey Association of Counties (NJAC). The award, part of the Government Leadership Award, was presented by NJAC Executive Director John Donnadio, and is given to candidates that provided exceptional services for the residents and NJAC. Congratulations Lisa!

Rowan College Celebrating Diverse

Cultures Virtually

Rowan College of South Jersey (RCSJ) English as a Second Language (ESL) students promoted understanding and communication through the language of music, art, and food on Wednesday, Nov. 18, during a virtual celebration of international cultures.

Eight students representing seven different countries, including Brazil, China, Mexico, Taiwan, Turkey, Russia and Vietnam, shared favorite recipes, artistic skills, pictures, and music as they enjoyed describing to viewers information about each of their countries. The annual event, ordinarily held in-person on campus, was coordinated by the College's Adult Education instructors and staff to recognize the many cultures and countries taking part in the program. Check out the event at https://youtu.be/IHfYZoiP_R0

Gloucester County American Job Center Offers Virtual Services Amid a Pandemic

The Gloucester County American Job Center in Thorofare is a dedicated career center for individuals seeking employment service, job matching, interview skills, resume writing, literacy programs, education, and training. The coronavirus pandemic continues to affect our ability to have in-person classes, but the American Job Center has been keeping in contact with our clients through many of the virtual services we offer.

The Gloucester County American Job Center in partnership with Rowan College of South Jersey (Gloucester County Campus) and our partners can offer many services via the internet, online platforms, or over the phone. Whether you are a current customer or recently unemployed due to the pandemic, our staff is here to assist you in new career opportunities.
