

FLOOD GATE ROAD BRIDGE VIRTUAL PUBLIC INFORMATION CENTER MEETING | LOCAL CONCEPT DEVELOPMENT STUDY | LOGAN AND GREENWICH TOWNSHIPS, GLOUCESTER COUNTY

Gloucester County and the Delaware Valley Regional Planning Commission (DVRPC) will be hosting an online Public Information Center meeting to inform local residents, officials, businesses and the general public about this Local Concept Development (LCD) study. The meeting will discuss the preliminary preferred alternative that will improve the Flood Gate Road Bridge over Repaupo Creek and remove any substantial deficiencies in Logan and Greenwich townships, NJ.

The purpose of this online Public Information Center meeting is to present the Purpose and Need for this project and to solicit public input and comments towards the alternatives that have been developed. The public is invited and encouraged to participate in the study. This meeting is open to all members of the public.

Written comments will be accepted via mail or email through November 23, 2023.
