GLOUCESTER COUNTY SUBRECIPIENT MONITORING POLICY

The purpose of this document is to define the duties and responsibilities of the County of Gloucester and its Subrecipients in carrying out projects assisted under the Community Development Block Grant (CDBG) Program. A Subrecipient is any local unit of government or organization that received CDBG funds from the County of Gloucester and is assigned responsibility for contract administration.

The administration of a CDBG funded project represents a dual responsibility of both the County and its Subrecipients. The County of Gloucester acts as the grantee recipient of CDBG funds from HUD. As such, the County assumes overall responsibility for program management. As in most federal funding programs, there are numerous conditions, regulations and rules that govern the CDBG Program, and these are legally imposed upon the County through the grant contract issued by HUD.

Once projects are identified, the County may allocate CDBG funds to subrecipients such as local development organizations. In allocating these funds to a subrecipient, the County advises its subrecipients that requests for payment will only be honored when file documentation has been received at the Gloucester County Department of Housing and Community Development (HCD) that supports the expenditure of CDBG funds. In this manner, the subrecipient is compelled to provide supportive documentation before a disbursement of CDBG funds will be made. This procedure has been found to be an effective method of insuring the eligibility of every CDBG funded action being carried out by a subrecipient. The responsibility for submitting project documentation and following acceptable authorization for payment procedures is spelled out through a legal instrument known as a Subrecipient Agreement.

In most cases, the Subrecipient Agreement authorizes the subrecipient to contract for CDBG funded improvements. The role of the County is to provide on-going advice and assistance to the Subrecipient in meeting the requirements of the agreement. Since the County is ultimately liable for the expenditure of CDBG funds and the timeliness of project implementation, it is the County's intent to perform certain program management functions to insure the appropriate and timely expenditure of grant funds.

This document is designed to clarify the process of contract administration and to clearly define the function of both parties to the Subrecipient Agreement.

SUBRECIPIENT MONITORING

Monitoring will be conducted as follows:

1. Day to day informal contact in person. This involves informing, directing and answering questions of a routine nature.
2. Periodically, as the situation requires, correspondence will be required to document information flow, decisions or requests and responses to information and reporting needs.
3. On a monthly basis or upon request for reimbursement, Subrecipients shall submit the following information:
 - time records indicating payroll costs, as applicable invoices for expenditures approved by subrecipient
 - contractor payroll for Davis-Bacon verification, as applicable
 - program income, if any

4. The County shall review these items for adequacy relative to financial control and measuring accomplishment of assignment.
5. At least one time each year, a formal monitoring evaluation will be conducted. The monitoring evaluation will be based on the format of the checklist attached to this document and identified as Exhibit "A".
6. The timing of the formal monitoring evaluation will be designed to coincide with HUD performance reporting requirement. The County's annual Grantee Performance Report, (CAPER), must be submitted to HUD no later than 90 days after the anniversary of the County's CDBG Program Year. In order that subrecipient performance can be incorporated into the County's annual CAPER, the following subrecipient monitoring schedule will be followed:
 - Subrecipients will complete an evaluation and summary of CDBG funded activities for the prior CDBG Program Year within 30 days after the anniversary of the County's CDBG Program Year.
 - The County will complete its formal monitoring evaluation of its subrecipients no sooner than 30 days and no later than 60 days after the anniversary of the County's CDBG Program year.

SUBRECIPIENT MONITORING SCHEDULE

Anniversary of CDBG Program Year

30 Days	60 Days	90 Days
Subrecipient completes internal review, including collection of loan recipient information.	County completes formal monitoring evaluation of subrecipients	County completes annual CDBG CAPER; submits same to HUD.

7. Upon completion of the annual monitoring evaluation, the County will make a determination as to the overall capacity of the Subrecipient. The determination will be based on the following criteria:
 - progress toward achievement of assignment
 - compliance with program requirements
 - expenditures and budget balance in terms of their adequacy to complete assignment and meet objectives
 - staffing adequacy and quality of performance
 - adjustments necessary (if any) to the assignment
 - adequacy of record keeping for grantor monitoring and audit purposes
8. The County shall determine if more frequent formal monitoring is required.
