Dear Mrs. Rivera:

The County of Gloucester is hereby applying for funds under Senior Citizens & Disabled Residents Transportation Assistance Program (SCDRTAP). The approval of this grant will enable transportation services to be available to the senior citizens and disabled residents in our County. The County of Gloucester is requesting \$576,221.00 for 2022. The scheduled public hearing date was June 10, 2021. The application will be available at the Gloucester County Library System, Mullica Hill Branch, 389 Wolfert Station Road, Mullica Hill, NJ and will be placed on the Transportation website in July 2021.

To my knowledge, all information provided in support of this application is true and correct. If you have questions or require additional information, please contact Lisa Cerny at 856-384-6874.

As the Applicant, the County of Gloucester agrees to comply with all regulations and administrative guidance required for application to the Senior Citizens and Disabled Resident Transportation Assistance Program for the program year 2022. The Applicant affirms the truthfulness and accuracy of the information it has made in the statements submitted herein and any other submission made to NJ TRANSIT. In signing this document, I declare the foregoing information and any other statement made on behalf of the Applicant are true and correct.

Sincerely,

  
**Robert M. Damminger, Commissioner Director**  
County of Gloucester

The County of Gloucester complies with all state and federal rules and regulations against discrimination in admission to, access to, or operations of its programs, services, and activities. In addition, County encourages participation of people with disabilities in its programs and activities and offers special services to all residents 60 years of age and older. Inquiries regarding compliance may be directed to the County's ADA Coordinator at (856) 384-6842 / New Jersey Relay Service 711.

**RESOLUTION AUTHORIZING A COMBINED APPLICATION AND ACCEPTANCE  
OF THE 2022 SENIOR CITIZENS AND DISABLED RESIDENTS TRANSPORTATION  
ASSISTANCE PROGRAM GRANT, FOR \$576,221.00 AND THE FTA SMALL URBAN

County of Gloucester  
Attn: Ms. Lisa Cerny, Director  
Division of Human & Disability Services  
Division of Transportation Services  
115 Budd Blvd.  
West Deptford, New Jersey 08096

Dear Ms. Cerny:

This communication will serve as requisite opinion of counsel to be filed with NJ TRANSIT along with the Gloucester County application for financial assistance pursuant to the provision of Section 5311 of the Federal Transit Act, as amended for administration, capital and operating assistance projects. The legal authority for County of Gloucester's ability to carry out administration, capital and/or operating assistance projects directly, by lease, contract, or otherwise is set forth below:

1. County of Gloucester is authorized to provide and assist public transportation by acquisition, construction and operation of existing or additional transit facilities. This assistance may be provided directly by the Gloucester County Division of Transportation Services, under the Department of Human & Disability Services, or by agreements with other parties.
2. The authority of County of Gloucester to provide funds for the local share of the project is set forth in a Resolution passed by County Board of Commissioners, and under N.J.S.A. 40:9-C-1 et seq. and N.J.S.A. 23-5.3.
3. I have reviewed the pertinent Federal, State, and local laws, and I am of the opinion that there is no legal impediment to Gloucester County making application for Section 5311 assistance. Furthermore, as a result of my examination, I find that there is no pending or threatened litigation or other action which I am aware of, which might in any way adversely affect the proposed project in the program or the ability of County of Gloucester, to carry out such projects in the program.

Sincerely,

**Emmett E. Primas, Jr., Esquire**  
Assistant County Counsel

**ADA Certification of Equivalent Service**

Attach as NJT Attachment G

The **County of Gloucester** certifies that its demand responsive/ Route Deviation service offered to individuals with disabilities, including individuals who use wheelchairs, is equivalent to the level and quality of service offered to individuals without disabilities. Such service, when viewed in its entirety, is provided in the most integrated setting feasible and is equivalent with respect to:

- (1) Response time;
- (2) Fares;
- (3) Geographic service area;
- (4) Hours and days of service;
- (5) Restrictions on trip purpose;
- (6) Availability of information and reservation capability; and
- (7) Constraints on capacity or service availability.

In accordance with 49 CFR 37.77, public entities operating demand responsive/ Route Deviation systems for the general public which receive financial assistance under 49 U.S.C. 5311 or 5307 must file this certification with the appropriate state program office before procuring any inaccessible vehicle. Such public entities not receiving FTA funds shall also file the certification with the appropriate state program office. Such public entities receiving FTA funds under any other section of the FT Act must file the certification with the appropriate FTA regional office. This certification is valid for no longer than one year from its date of filing.

Dear Mrs. Rivera:

The County of Gloucester has made application to NJ TRANSIT and the Federal Transit Administration pursuant to Section 5311 of the Federal Transit Act, as amended for a mass transportation grant to assist in the reimbursement of operating and/or non-operating expenses for the period January 1, 2022 to December 31, 2022.

The County of Gloucester agrees that, in absence of a waiver by the Department of Labor the terms and conditions of the Special Section 5333(b) Warranty shall apply for the protection of the employees of any employer providing transportation service assisted by the Project, and the employees of any other surface public transportation providers which are eligible recipients, in the transportation service are of the Project. The Warranty arrangement shall be made part of the contract of assistance and shall be binding and enforceable by and upon the parties thereto, by any covered employee or his representative.

Additionally, pursuant to Section (A) of the Special Section 5333(b) Warranty, included with this submission is a listing of all transportation providers in the geographic area of our project and any labor organizations representing the employees of such providers.

Sincerely,
