<b>CHAPTER:</b>	<b>5 - EMPLOYEE BENEFITS</b>	<b>ADOPTED: 3/7/06</b>
<b>SECTION:</b>	<b>1 - HEALTH BENEFITS</b>	<b>REVISED: 2/5/20</b>

Eligible employees and their dependents, as applicable, are afforded many health benefits through their employment with the County. Furthermore, eligible retirees enjoy a continuation of medical and prescription benefits. Average hours of a work week, years of service, and health benefits through other sources are examples of circumstances that affect an individual's ability to enjoy these benefits. Non-Union employees that have benefits through retirement from another public entity are not eligible for benefits with the County.

Errors in either enrollment or claim forms are the responsibility of the employee and not the employer.

If an employee does not expect the need for medical or prescription benefits and has coverage elsewhere, employees may choose to waive this coverage (see HR 5.2 for more details). PLEASE NOTE: state statute specifically prohibits two members who are each enrolled in SHBP from covering each other. Therefore, an eligible individual may only enroll in the SHBP as an employee or retiree, or be covered as a dependent.

In accordance with Chapter 78, P.L. 2011, effective June 28<sup>th</sup> 2011, employees receiving health benefits (medical, prescription, dental and vision) pay a contribution towards the cost of health benefits. Section 80 of the law allows employers time for a practical and prospective implementation of increased employee contributions. When implemented after the effective date, there is no retroactive impact. The provision allows for administrative convenience and does not affect the effective date. For example, for employees not covered by a CNA (collective negotiations agreement), *if* the first year deduction was started on January 1, 2012, the implementation date of the second year increase in benefits is the pay period including July 1, 2012.

---

The minimum health contribution required is 1.5% of salary and the law requires that the percent of premium contribution (derived from salary and types of coverage tables list below) is multiplied by the total premium due for each employee and deducted from base salary; or as applicable for future retirees, the retirement allowance, including any cost-of-living amount paid (see Retirement Health Benefit section that follows for more details).

This contribution goes into effect immediately, or as soon as administratively feasible, for employees whose contracts are expired as of the effective date and for employees not covered by a union contract; for those employees covered by a collective negotiations agreement in effect on June 28<sup>th</sup>, 2011, the contribution commences with the expiration of said contract; furthermore, employees hired on or after the effective date of Chapter 78, P.L. 2011, (June 28<sup>th</sup>, 2011) shall contribute at the highest level (Year 4). Health benefit contribution payments can be made on a pre-tax basis through the Section 125 plan. With the sunset of Chapter 78, P.L. 2011, employees benefit contributions are set in accordance with negotiated union contracts.

The following charts reflect the four-year phase-in of contribution levels for employees employed as of the effective date:

**Medical**

All full-time employees and certain part-time employees in accordance with the appropriate negotiated agreement, and eligible dependents of eligible employees, may choose to select one of the NJ State Health Benefit plans according to the negotiated contracts.

All employees must select a plan or indicate that they wish no coverage (see HR 5.2 for more details).

Coverage for new employees will begin exactly 60 days from the date of hire for Medical and Prescription benefits and 60 days following the first of the month for Dental and BCS Vision Plan benefits.

Identification cards will be distributed from the insurance carriers for medical coverage.

After retirement, termination of coverage, or while on an approved leave of absence, medical health benefit coverage may be continued. You must notify Human Resources of your retirement/termination date to ensure uninterrupted group coverage. Human Resources will in turn contact the State of New Jersey [Divisions of Pensions and Benefits, PO Box 295, Trenton, NJ 08625-0295, Phone number: (609) 292-7524]. Please see HR 2.7 Exhibit E explains Continuation of Coverage forms for employees, dependents, and separated/divorced spouses/civilly unionized partners.

Any employee who fails to enroll his/her dependents or wishes to change from one plan to another may only make changes to medical and prescription during the Annual Open Enrollment period in October, with coverage effective January 1.

*The only other time you may make changes to your plan is if you experience a Life Changing Event or if you or your dependent(s) experience a loss of coverage. A Life Changing Event is defined as death, divorce/dissolution of civil union, marriage/civil union, or birth. If you experience a life changing event, you have 60 days to notify the NJ State Health Benefits Program and Human Resources. If an employee or eligible dependents are not enrolled within 60 days of the time they first become eligible for coverage, the employee must wait until the next annual Open Enrollment period to do so.*

Please note that if you have a change of address, or name, you must notify Human Resources (see HR 9.3).

### **Dental**

Single dental coverage is available for all full-time and eligible part-time employees in accordance with the current negotiated contracts and for non-union employees. A description of plan benefits can be obtained through Conner Strong & Buckelew Companies [Phone (800)563-9929].

Gloucester County also offers the opportunity for union employees in accordance with the current negotiated contracts and non-union employees to elect a group dental plan for spouses/civilly unionized partners and/or dependents. The additional cost above the traditional, employee only, dental plan must be partially paid through payroll deduction by the employee. In accordance with the negotiated contract, the employer may contribute towards this plan; in the case of non-union employees, these terms follow the signed CWA contract. A description of plan benefits can be obtained through Conner Strong & Buckelew [Phone (800)563-9929].
