### **WELL CONSTRUCTION SUBMITTAL REQUIREMENTS FOR NON-PUBLIC WATER SUPPLY SYSTEM**

The following items must be submitted for review by the Gloucester County Department of Health prior to well installation. Please submit **3** copies of the following applications and attachments along with the well construction application fee of \$125.00 (Check or money order must be made out to “County of Gloucester”) :

1. Completed Well construction application.
2. Diagram (s) showing location of all municipal boundaries, roads, streams, sanitary sewers, storm water sewers and drainage channels, test wells, wells fields, all existing and proposed water supply and sewage disposal facilities, all distribution mains, service lines, and potential sources of contamination within 200 feet of each proposed well.
3. Well permit approved by NJDEP—Bureau of Water Allocation and Well permitting.
4. Municipal Utilities Authority (MUA) waiver for the following municipalities: Clayton, Deptford, Mantua, Monroe, and Washington.
5. Board of Health approvals are required to be obtained prior to approval from this Department for the following municipalities: Deptford Township, and West Deptford Township. A letter of approval or approval stamp must accompany your well application.

Note: Please visit our website at [www.gloucestercountynj.gov](http://www.gloucestercountynj.gov) to obtain the above noted applications and forms.
