Safety Training Guidelines:

To maintain the integrity of the classes and our ability to offer CEUs, we must abide by the rules of the State agency who issued the designation. Chief among those rules is the attendee of the class must attend the whole session. ***Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion.***

The Zoom platform is utilized to track the time each attendee logs in and logs out of webinars. Also, we can track participation, to demonstrate to the State agency that the student also participated in polls, quizzes, and question & answer activities during the live, instructor-led webinar. We maintain these records to document our compliance with the State agency.

About Zoom Training:

- When registering, please indicate the number of students that will be attending with you if in a group setting for an accurate count to avoid cancelations due to low attendance. Once registered you will receive an email with the webinar link. Be sure to save the link on your calendar to access on the day of training. We suggest registering no later than a day before to insure you receive the link and your computer and sound system are working correctly.
- A Zoom account is not needed to attend a class. Attendees can login and view the presentations from a laptop, smartphone, or tablet.
- Zoom periodically updates their software. After registering for a webinar, the confirmation email contains a link at the bottom to Test your system. We strongly recommend testing your system, and updating if needed, at that time.
- Please [click here](#) for informative Zoom operation details.
- It is suggested you log in to the webinar about 15 minutes early, so if there is an issue, there is time to address it. We cannot offer credit or CEUs/TCHs to attendees who log in 5 minutes late or leave early.
- Group Training procedures:
 - Please have one person register for the safety training webinar.
 - Group sign in sheet: Please assign someone to submit the completed sign-in sheet(s) within 24 hours of the webinar.
