Sheriff Sammons,

I am pleased to inform you that your agency has been selected to join the Active Bystandership for Law Enforcement (ABLE) Project as one of our partner agencies.

You will find additional details on the logistics of ABLE instructor training in the document attached to this email. Please read through this information carefully and reach out if you have any questions. Links to our upcoming Train-the-Trainer sessions are also included in this document. All of our partner agencies are permitted to send up to two instructors to each session at no cost.

Our records indicate your agency's program coordinator is Kevin Pluta. Moving forward, Mr.Pluta will be our primary point of contact at your agency. If this has changed or you would like additional contacts added to our records, please let us know as soon as possible.

Please do not hesitate to reach out to our team if you have any questions or need support.

On behalf of the entire ABLE Project Team, I am excited to welcome you to our community. We look forward to working with you and meeting your colleagues in our instructor classes!

Regards & thanks,
Joshua Cole
