Our firm has provided CM/CI services to the County for numerous roadway improvement projects including the Clems Run Road Stormwater Repair/Replacement project. Our Proposed Team has direct experience supporting projects for the County and the NJDOT and have served in similar roles for local County projects including Resurfacing of Clayton-Williamstown Road (CR 610). RVE is currently providing similar services to the Clems Run Road Stormwater Repair/Replacement Project. Our Team has a strong familiarity with the County's policies and procedures through our recent projects. County projects supported were completed on schedule, within the County's budget and with minimal corrective action by the contractor.

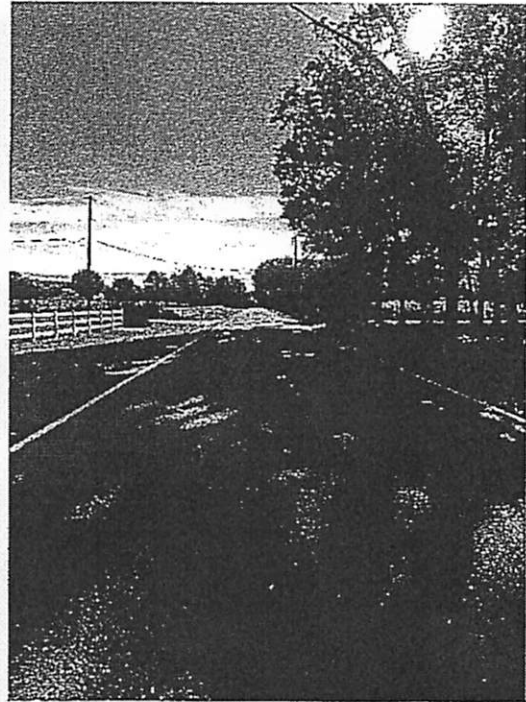

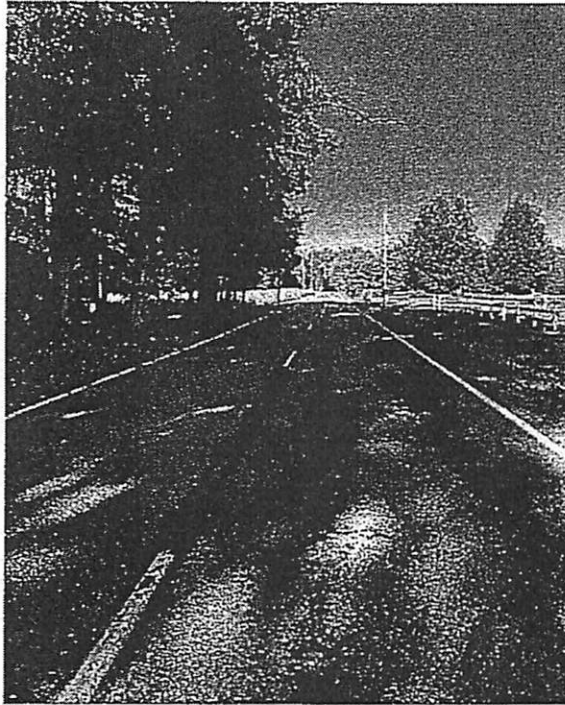

The proposed Project Team will be led by Project Manager, James Boegli, PE, TCC. Mr. Boegli has over 5 years of experience in the construction industry performing office engineering, construction management/inspection and design engineering. Mr. Boegli's experience includes project management, construction documentation, inspection, cost estimating, schedule analysis, payment recommendations, budget monitoring, compliance insurance, tracking RFIs/submittals and job closeout. Joseph R. Ragusa, Jr., PE, TCC, NACE, will serve as QA/QC manager overseeing the project with his 15+ years of experience and comprehensive understanding of the construction industry. Gregory Marchese, NICET IV, NJSAT, TCC will act as Resident Inspector for this project. Mr. Marchese has more than 30 years of experience in engineering and construction. His duties require the verification of construction in accordance with plans and specifications, and the measuring of quantities in the field to verify voucher payments. He is experienced in communication with contractors, clients, property owners and public officials concerning contract interpretations and field changes.

We look forward to the opportunity to support this important project. Our Team offers the County an experienced staff with extensive County experience and knowledge. As a full-service firm with headquarters less than 15 miles County's office, RVE can provide on-site support quickly.
